- *Cerebrospinal complications*
- *Neurosurgery*
- *Neuro-degeneration and Aging disorder*
- *Brain Nursing*
- *Pediatric Neurology*
- *Neuropharmacology*
- *Animal models in brain research*
- *Computational brain and brain engineering*
- *Addiction and Brain disorders*
- *Analysis, Assessment and Diagnosis of brain disorders*
- *Neurophysiology*
- *Novel Therapeutic Strategies*

TOP REASONS TO ATTEND:

PRESENTING YOUR ORGANISATION'S WORK ON A Global STAGE:

As a speaker you will be presenting to a room full of senior representatives from all over the world, each providing a different perspective from the sector. Your organization's expertise and knowledge will be showcased to key players in the field of Nursing, Health care and will be a unique platform to increase your reputation within the sector

NEW PLACES; NEW PEOPLE:

Each time will be held at a different place, new and different people will attend. This can enlarge building collaborations and help you in developing new relationships.

LEARN FROM OTHER SPEAKERS:

As a speaker you will be provided with free access to three days of the conference and associated workshops and will be given the opportunity to hear from other senior representatives from the sector and consider problems and solutions in the field of nursing, our numerous Q&A sessions and panel discussions.

DISCUSS AND OVERCOME ISSUES IN THE FIELD:

This conference offers unrivalled opportunities to work with other key leading experts from the Universities and Hospitals to discuss the main challenges in the sector and to come together to produce strategies to find solutions to these problems

COMPETITIVE ADVANTAGE:

You'll stand out if you're a sponsor and your major competitors aren't. If your competitors have already decided to be sponsors, your sponsorship becomes even more important, to assert your comparative market strength and your commitment to healthy products.

LEADING A WORKSHOP:

By leading one of the renowned Workshops, you will be presented with a perfect forum for an in depth discussion and debate into a key issue. These sessions can vary in format from case-study-led debate with interactive breakout sessions to a presentation based discussion group on a topic that may need a particular in-depth focus.

THE OPPORTUNITY TO COLLABORATE AND SPONSOR :

While we determine our conference theme and flow, we invite our key sponsors to suggest potential speakers, Delegate and topics that might also enhance the program. That's why it's important to commit early to sponsorship, before the program is final

CHAIRING: *To increase your presence at the event, why not chair the event, a day, or a specific session to present yourself and your organization as one the leading players in a specific topic area? As a chair, you will work closely with us and our line-up of senior level speakers to ensure an event's success.*

ABOUT Kyoto, Japan

Kyoto (also Kyōto) is former capital of Japan and for more than a thousand years the center of traditional Japanese culture. It is situated 315 miles southwest of Tokyo and 25 miles east of Osaka. Several of the historic temples and gardens of Kyōto were collectively added as a UNESCO World Heritage site in 1994. Kyoto is a classy blend of the ancient and the recent, an urban environment where museums, four star restaurants and active performing venues flourish alongside temples, small factories and quiet localities. Kyoto is what most travellers' dream of when imagining Japan. This Centre of invention has a reputation for development leading research and the development of high technology organizations.

Touristy Attractions of Japan:

- *Kyoto Imperial Palace*
- *Nijō Castle*
- *Kinkaku-ji*
- *Nishiki Market*
- *Tempozan Ferris wheel*
- *Dotonbori*
- *Shinsekai*
- *Universal Studios Japan*
- *Shitennoji Temple*
- *Namba Grand Kagetsu*
- *Ebisu Bridge*
