Anesthesia 2020

## Warm Greetings!

Welcome to the **4<sup>th</sup> International Conference on Anesthesiologists and Surgeons** presented by AAC.

The Conference this year is Organized with the theme “**Emphasizing the developments in Anesthesia care and the future holds of Surgery**” and is scheduled for **July 13-14, 2020** in **Amsterdam, Netherland**.

The mission of Anesthesia 2020 is to provide relevant, timely, high-quality education to anesthesia professionals and surgeons from all over the world that will allow them to deliver high-quality patient care.

International experts from a wide range of subspecialties within anesthesiology and surgery will present the latest information relevant to their practice. In addition to this variety of clinical topics, multiple presentations will focus on the expanding role of the anesthesiologist in perioperative care.

The program will start with the Keynote forum where specialists in the field will be providing their insights on the field and advancements made as of recent, this is to be followed by imperative workshops and presentations by experts. Each day will contain ample time for questions and discussion among the experts thus promotes sharing of knowledge, information and demonstration with researchers and potential clients leading to brand recognition all at one event.

With Keynote forums, Workshops, Exhibitions and more Anesthesia 2020 is an event you cannot afford to miss.

Come, Connect and Contribute at Anesthesia 2020!

Sincerely

*Sandra Isabela*
