

EuroSciCon

6<sup>th</sup> Edition of International Conference on

# Clinical Oncology

June 08-09, 2020  
FRANKFURT, GERMANY

---

**Theme:**

Conquering Cancer with the Latest Advancements in  
Clinical Oncology

## Invitation

Welcome to Frankfurt City with historical center and modern culture, and experience the science of oncology illuminated as never. EuroSciCon is proud to host the 6<sup>th</sup> Edition of International Conference on Clinical Oncology, JUNE 08-09, 2020 in Frankfurt, Germany. This year's theme is Journey from Screening to Curing Cancer. Clinical Oncology 2020 will provide an unprecedented opportunity for oncologists of all stripes and colors to share their research with colleagues, and discuss and debate the latest advances in the field. We invite oncologists and scientists in related disciplines to come together and inform each other in an environment conducive to education and interaction. Seasoned scientists, young researchers, mid-career professionals and just starting out are all welcome.

With a broad array of keynote presentations, panel discussions, workshops, and poster sessions, the Oncology Conference is the perfect venue not only to dive into your oncological interests but also to expand the scope of your knowledge. The Organizing Committee has done its best to set up a framework that we think will allow for a creative interplay of ideas. All we need now to convert the extensive program on paper to an active and vibrant oncological forum in person is your active participation.

## A Transformational Learning Experience

- Curated to address the concerns of today's scientific world
- Be inspired by some of the world's most renowned figures
- Stimulate new ways of thinking and provoke action.
- Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.

June 08-09, 2020  
FRANKFURT, GERMANY

## Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us

### **Our International Open Access Journals:**

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

### **Our International Scientific Conferences:**

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD.

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

### **Other salient features comprehend:**

Publishing of the accepted abstracts in our inordinately indexed journals

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manuscripts in our Open Access Journals

**W**ith over 25000+ oncologists accessing the website, Clinical Oncology 2018 is the most lucrative platform for researchers, academicians and industry professionals pursuing their work in the field and related. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fueling better outreach of the work and profile.

### **Clinical Oncology 2020 Salient Features:**

In a world of information overload, we focus on the issues most relevant to today's technical trends enabling our patrons to

*Congregate with most senior executives*

*Nurture connexions*

*Agenda format which incorporates ample Q&A time*

*Partake in our revamped exhibitor expo sessions*

*Meet and listen to the relevant clients*

*Unprecedented growth creating an unparalleled market place*

**June 08-09, 2020  
FRANKFURT, GERMANY**

### **How's EuroSciCon different?**

*Exercises your creative instincts with the live knowledge experience*

*It organizes 3000+ Conferences across the globe connecting different sciences in 30+ countries*

*Over 25 Million+ Visitors and 20000+ Unique Visitors per conference*

*World's leading industries and companies attend*

*Career guidance for early career researchers and students*

*Provides insights you need to take your research to the next level*

*A huge conclave of high tech and science priests*

## Who'd be attending?

6<sup>th</sup> Edition of International Conference on Clinical Oncology plays host for the Multinational organizations, entrepreneurs across the globe, the researchers and academicians. Prominently Oncology Consultants, Investigative Oncologists Regulatory Professionals, Laboratory Directors, Oncologists and others who stay plunged in learning and practice of the science of clinical oncology and molecular diagnostics.

### **About hosting organization**

EuroSciCon is one among Europe's largest and most significant scientific place which serves as a crossroad for the academicians and industry experts to build networks. With over 16 years of Life Science Communication it focuses on to Spearheading the Transformation of Medical Research into Knowledge through Scientific Gatherings and Networking. Supporting the Rare Care UK organization, EuroSciCon is a corporate member of Royal Society of Biology, Institute of Biomedical Science (IBMS) and British Society for Immunology. Our approach has always been unique, and that difference has propelled our growth towards Scientific Serendipity.

### **Scientific Sessions:**

- Oncology
- Causes of cancer
- Cancer Metastasis
- Organ Specific Cancer
- Blood Cancer
- Cancer Screening
- Cancer Diagnosis/ Biopsy
- Cancer Therapy
- Cancer Biomarker
- Oncogenomics
- Cancer Drugs and Vaccines
- Drug design and Clinical trials in cancer
- Cancer nutrition
- Cancer – case study reports
- New Ideas in cancer treatment
- Advance Equipments in cancer

## See your work **PUBLISHED** in one of our related journals

- Archives in Cancer Research
- Cancer Biology and Therapeutic Oncology
- Journal of Cancer Epidemiology and Prevention

June 08-09, 2020  
FRANKFURT, GERMANY

## About Destination Frankfurt

Frankfurt is the biggest city of the German government province of Hesse, and its 746,878 occupants make it the fifth-biggest city of Germany after Berlin, Hamburg, Munich, and Cologne. On the River Main (a tributary of the Rhine), it frames a ceaseless conurbation with the neighbouring city of Offenbach am Main, and its urban zone has a populace of 2.3 million.

The city is at the focal point of the bigger Rhine-Main Metropolitan Region, which has a populace of 5.5 million and is Germany's second-biggest metropolitan district after the Rhine-Ruhr Region. Since the broadening of the European Union in 2013, the geographic focus of the EU is around 40 km (25 mi) toward the east of Frankfurt's focal business locale. Like France and Franconia, the city is named after the Franks.

Frankfurt is the biggest city in the Rhine Franconian lingo region (West Central German).
