

# INTERNATIONAL CONFERENCE ON Food Science, Nutrition and Dietetics

June 25-26, 2020 | Barcelona, Spain

**Food Science 2020 conference** designed to provide Nutritionists, Food Technologist, Dieticians and other allied experts in the field of food science with up-to-date research work in Nutrition and to create an invaluable channel to network with global and regional leaders as well as to collaborate with them; the platform includes the most influential speakers, keynotes and informative panels. The series of keynote talks, workshops, poster presentations, discussions and networking events will keep the attendees occupied with learning and making new associations. As Nutritionists, Food Technologist, Dieticians and specialists from all over the world meet altogether to share and improve their knowledge in the field, we hope the attendees will be benefited with qualitative information on advanced techniques in food processing, balanced diet, and latest advancements in food science. We encourage delegates to use this conference as a meeting place to assemble their academic group for global deliberations.

Research Valley cordially invites you to **“International Conference on Food Science, Nutrition and Dietetics”** to be held on June 15-16, 2020 in Barcelona, Spain. Food Science 2020 will be focusing on next generation advancements in the field of Food Science & Nutrition Technology. ## About Venue

### Barcelona, Spain

Barcelona is the capital city of the autonomous community of Catalonia in the Kingdom of Spain, as well as the country's second most populous municipality, with a population of 1.6 million within city limits. Being the sixth-most populous urban area in the European Union after Paris, London, Madrid, the Ruhr area and Milan. It is the largest metropolis on the Mediterranean Sea, located on the coast between the mouths of the rivers Llobregat and Besòs, and bounded to the west by the Serra de Collserola mountain range, the tallest peak of which is 512 meters (1,680 feet) high. Barcelona propositions the best of both worlds, situated on the Costa Brava on the Spanish Mediterranean coast, the city gently rises up from the coastline through the city and up into a range of wooded hills. Famous for breaking ground art, avant-garde chefs and architecture; the city eclipses many others for its creativity and forward thinking. Barcelona is a dynamic, open Mediterranean city. It is the perfect city to relax, stroll around and enjoy its unique way of life. Barcelona offers so much to the cultural visitor, there is so much to see, something new and exciting awaits around every corner:, The famous Las Ramblas avenue, Gothic architecture, Gaudi's Güel Parc and the unfinished La Sagrada Cathedral, La Ribera and La Barceloneta, The old Raval quarter, a beachside ravel of corridor style streets where you can find some fantastic resident restaurants and bars, away from the typical tourist area. Getting around Barcelona is easy. You can pretty much walk around the entire city.
