INVITATION TO ATTENDEES:

Dear Attendees,

Scientific Federation brings in a new spin on conferences by presenting the latest scientific improvements in your field. Listen to motivating keynotes from thought leaders, or rub elbows with pioneers across the globe. Vancouver is all set for an amazing event as Scientific Federation proudly presents the “4th International Congress on Heart & Cardiology” slated on September 17-18, 2020 at Vancouver, Canada.

Cardiology-2020 is an international event, attracting global participant's intent on sharing, exchanging and exploring new avenues of Heart & Cardiology and latest developments. This event includes plenary speakers, established Keynote speakers, active Invited speakers, fresh contributed speakers and Young Researchers. In addition, variety of poster presentations along with workshops and special sessions would be interested in audience. The aim of the Cardiology-2020 is to spread knowledge and real-world impact in an atmosphere of true international cooperation between scientists and have interactive sessions by bringing together again the world class researchers, International societies and Industrial heads to discuss the latest developments and innovations. It is a great platform for companies as well as institutions to represent their research services, products, innovations and Research results in the fields of Heart & Cardiology.

Sincerely,

Cardiology-2020
Organizing Committee

CONFERENCE OBJECTIVES

As the conference theme promoting “New Innovations and Advancements in Heart & Cardiology Research”. The main goal of Cardiology-2020 is to spread knowledge and real-world impact in an atmosphere of true international cooperation between scientists and have interactive sessions by bringing together again the world class researchers, International societies and Industrial heads to discuss the latest developments and innovations. It is also a great platform for the companies as well as institutions to represent their research services, products, innovations and Research results in the fields of Heart & Cardiology.

UNIQUE FEATURES OF THE CONFERENCE

There are unique features of the conference i.e. Panel Discussions, Publication Workshop, Conference Chair Workshop, Career Development Workshops, Networking Opportunities along with the highest grade of Publication Opportunities. Therefore, the conference will provide a key platform for the development of researchers with international and diversified knowledge and experiences, enhancing the quality decision making of policymakers and promoting the highest utilization of research knowledge. Eventually, the participants will be able to experience for productive and efficient product development in the industry as well as in the corporate sector.

ABSTRACT SELECTION CRITERIA:

Each proposal will be carefully reviewed by the Cardiology-2020 Conference Committee. The committee will review proposals based on:

- Extent to which the proposal targets and is relevant to conference attendees
- Definition and focus of topic
- Practical application of material
- Timeliness and importance of topic
- Overall program quality

IN ADDITION EACH PROGRAM PROPOSAL SHOULD:

- Encourage active learning (indicate in the proposal what active learning strategies you will use to engage the audience in the session instead of having them passively listen to information; some possibilities include case study exercises, role playing, small group discussion, facilitated brainstorming, action plans, quick quizzes, etc.)
- Please note that concurrent session proposals may be combined by the conference planning committee to form a single session in the event of a large number of proposals, or proposals that are complementary in nature, topics, and/or presenters.
- Cardiology-2020 cannot guarantee that proposals submitted after the due date and/or incomplete proposals will be considered.

MAIN SESSIONS

- | | | |
|------------------------------------|---|---------------------------------|
| ➤ Heart Disease & Failure | ➤ Cardiac and Cardiovascular Research | ➤ Cardio-Thoracic Surgery |
| ➤ Heart Diagnosis | ➤ Clinical Cardiology | ➤ Arrhythmia |
| ➤ Heart Devices | ➤ Pediatric Cardiology | ➤ Research on Cardiology |
| ➤ Heart Regeneration | ➤ Interventional Cardiology | ➤ Cardiology - Future Medicine |
| ➤ Heart Transplantation | ➤ Cardiovascular Medicine & Cardiac Surgery | ➤ Echocardiography (ECG) |
| ➤ Coronary Heart Diseases | ➤ Cardiac Problems in Pregnancy | ➤ Cardio-Oncology |
| ➤ Diet and Heart Disease | ➤ Nuclear Cardiology | ➤ Cardiac Nursing |
| ➤ Heart Surgery | ➤ Myocardial Infarction | ➤ Cardiac Pharmacology |
| ➤ Hypertension & Sports Cardiology | ➤ Cardiac Remodeling | ➤ Case Reports on Cardiology |
| ➤ Diabetes, Obesity & Stroke | ➤ Cardiology: Women's health | ➤ Entrepreneurs Investment Meet |

REGISTRATIONS:

Registration Type	Early Bird Registration Price	Mid-term Registration Price	On-Spot Registration Price
Speaker Registration	\$ 699	\$ 799	\$ 899
Delegate Registration	\$ 799	\$ 899	\$ 999
Workshop Registration	\$ 699	\$ 799	\$ 899
Poster Registration	\$ 399	\$ 499	\$ 599
Student Delegate Registration	\$ 299	\$ 299	\$ 299
Accompany Person Registration	\$ 200	\$ 200	\$ 200
Video Presentation Registration	\$ 399	\$ 399	\$ 399
E-Poster Registration	\$ 299	\$ 299	\$ 299

REGISTRATION INCLUDES:

- Access to all Sessions
- Certificate Accreditation from the Organizing Committee
- Abstracts will be published in the conference souvenir
- Ask the Expert Forums (One to One Pre-Scheduled meeting on interest and availability)
- Access to the attendees email list (post conference)
- 10% abatement on the registration fees for the next annual conference
- 2 Coffee breaks (Refreshments and snacks) during the conference
- Lunch during the conference

Make Sure You Don't Miss the Deadline!

VENUE ATTRACTIONS:

Vancouver is a bustling west coast seaport in British Columbia, is among Canada's densest, most ethnically diverse cities. Vancouver is an unusual mix of big city culture and laid back West Coast style. Surrounded by towering evergreens and the North Shore Mountain range, the view alone makes flying into Vancouver International Airport worth the visit.

Capilano Suspension Bridge

There is nowhere else in the world you can see a First Nations performance following a walk 70 meters above the Capilano River. Take a shuttle to the Capilano Suspension Bridge from downtown for free.

BC Place

There is nowhere else in the world you can see a First Nations performance following a walk 70 meters above the Capilano River. Take a shuttle to the Capilano Suspension Bridge from downtown for free.

Canada Place

Built to look like a ship, Canada Place is one of the city's most iconic buildings. Take in the view of the port and city skyline.

Stanley Park

Bike, run, or simply wander the winding trails of Stanley Park, a natural paradise almost entirely surrounding by water right in the heart of the city. Save on parking and take public transit.

Vancouver Art Gallery

The Vancouver Art Gallery offers ever-changing exhibitions, lectures and public events, as well as works by the region's most celebrated painter, Emily Carr. Entry is free Tuesdays after 5:00PM.

Museum of Anthropology at UBC

Featuring artifacts from all over the world, the museum is best known for its collection of totem poles, jewelry and pottery of the Pacific Northwest Coast's First Nation peoples.

Vancouver Aquarium

Deep in Stanley Park is the gigantic Vancouver Aquarium. Get a sneak peak of the action by visiting their website for the Beluga Cam or Sea Otter Cam.

We are looking forward to see you in Cardiology-2020 at Vancouver, Canada
