

About Conference

The Conference takes immense pleasure to welcome all the participants around the globe to our “**2nd International Conference on Viral Infection and Immune Response**” scheduled during **June 25-26, 2020** in **Abu Dhabi, UAE** with the theme of “**Emphasizing the Global Approaches in Viral Infection and Immune Response**” that highlights on many research related to Viral Infection and Immune Response.

Immune Response 2020 brings together Immunologist, Virologists, and Researchers to discuss about the challenges and various progresses in the field of Immunology and Virology. The aim of the conference is to provide an international platform to Immunologists, Virologists, research scholars, Virology and Immunology professors and academics for discussion and implementation of the recent research in Immunology and Virology for attaining sustainable development in local and global contexts.

2nd International Conference on Viral Infection and Immune Response

June 25-26, 2020 | Abu Dhabi, UAE

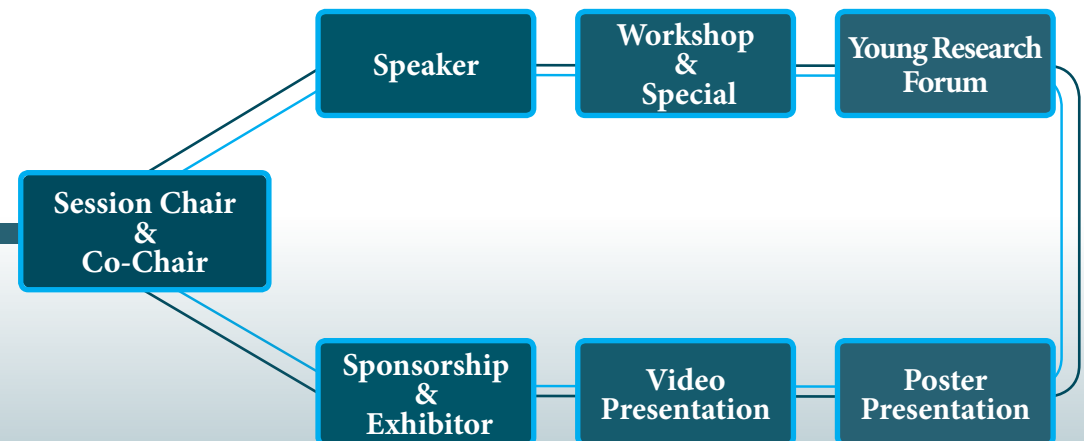

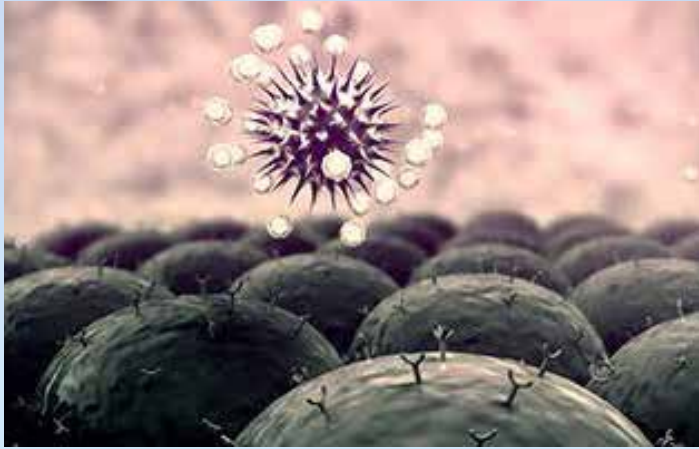

Event at a Glance

Day 01 June 25, 2020	Day 02 June 26, 2020
Session	Session
Registrations	Keynote Forum
Opening Ceremony	Session 1
Keynote Forum	Cancer Immunology
Group Photo	Vaccines
Session 1	Innovations in Immunology
Immunology and Viral Infection	Session 2
Viral Genomics	Terrifying Viral Infections
Immune Response to Viral Infection	Immunization
Session 2	Cytokines and Current Research
Gene Therapy	Antiviral Medication
Infection and Nutritional Immunology	Other Treatments
Microbiology	Infection Control
Neuroimmunology	Microbial Immunology
Pediatric Immunology	Young Research Forum
Transplantation Immunology	Poster Presentation
Young Research Forum	Panel Discussion
Panel Discussion	Award Ceremony

Available Opportunities

This two days event is filled with the scientists, professionals from all around the globe. We request interested people to write us regarding the participation for this esteemed event.

Conference Sessions

- Immunology and Viral Infection
- Viral Genomics
- Immune Response to Viral Infection
- Gene Therapy
- Infection and Nutritional Immunology
- Microbiology and Microbial Immunology
- Neuroimmunology and Pediatric Immunology
- Transplantation Immunology
- Cancer Immunology
- Vaccines
- Innovations in Immunology
- Terrifying Viral Infections
- Immunization & Infection Control
- Cytokines and Current Research
- Antiviral Medication and Other Treatments

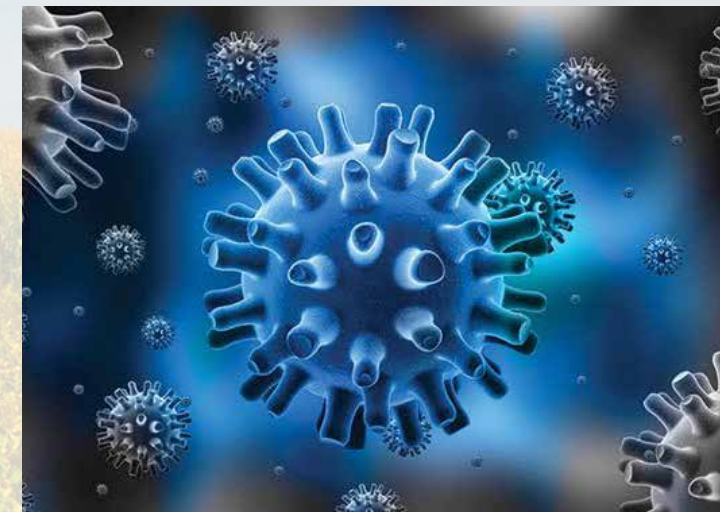

Conference Venue:

Abu Dhabi, UAE

Who Attends

- Academic Professionals
- Research scholars
- Immunologists/Virologists
- Microbiologists
- Biotechnologists
- Immunology/Virology Societies and Members
- Medical School Students
- Nursing Schools/Colleges Students
- Pathologists
- Immunology Professionals
- Epidemiology Specialists
- Pharmaceutical Companies
- Infectious Diseases Specialists
- Medical Device Manufacturing Companies
- Business Entrepreneurs

REMINISCENCE OF 2019

Be a Part and join us in
Abu Dhabi, UAE to Viral
Infection and Immune
Response
