Invitation

Dear Attendees,

We are glad to announce the 27th International Congress on Nursing and Primary Health Care to be held in Zurich, Switzerland from July 29-30, 2020 organized by Conference Series llc LTD, UK in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members.

Nursing 2020 is an extraordinary event to facilitate the dissemination and application of research findings related to Medical Imaging and Clinical Research. The conference invites participants from all leading Universities, Clinical Research Institutions and Diagnostic Companies to share their research experiences on all aspects of this rapidly expanding field and thereby, providing a showcase of the latest Medical Imaging and Clinical Research techniques.

As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

Life is full of give and take. Make it count in your professional life. Attend the Medical Imaging and Clinical Research Congress to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level.

We look forward to personally welcoming you to Zurich this July.

Sincerely,

Nursing 2020

About Zurich

Zurich is Switzerland's centre of economic life and education. Located in the heart of Europe, the city offers all the modern amenities of a cosmopolitan metropolis, without sacrificing its natural side. Zurich has for years ranked among the world's top cities in terms of quality of life. It is a boutique city that offers everything that implies, albeit in small and exquisite format. Zurich is avant-garde: it was not only home to Dada, but also the place where the Freitag bag and world-renowned Helvetica typeface originated. Researchers at the revered Swiss Federal Institute of Technology (ETH) and companies such as Google and Disney Research produce one innovation after the next. Creativity is also in abundance thanks to one of the biggest universities in Europe devoted to the arts – Zurich University of the Arts (ZHdK) – while establishments such as the Kunsthaus Zürich, Haus Konstruktiv and Museum für Gestaltung ensure that it all doesn't fall into oblivion. Zurich was already a prosperous centre of commerce in the Early Middle Ages. The 1519 Reformation gave the economy such a boost that the city rapidly became Switzerland's financial centre. This has remained unchanged to the present day and is why you'll find the Swiss National Bank in Zurich along with the worldfamous Bahnhofstrasse, one of the most luxurious shopping strips around.
