The Emirate of Dubai is that the second largest of the seven United Arab Emirates but has the most important population with over 3.33 million. Dubai is one among the seven emirates within the United Arab Emirates (UAE), whose main city is additionally called Dubai. The UAE is home to the simplest, the tallest, the most important, and everything that's larger than life. Dubai's cityscape is usually transient and ever-changing with its constant urge to construct bigger and better than before. It is the foremost populated and therefore the second largest emirate within the region. Its strategic geographic location made the town a crucial trading center, and by the start of the 20th century. It was already a crucial regional harbor. It is found on the north-eastern coast of the Arabian Peninsula, Abu Dhabi on the south, Sharjah on the northeast, and Oman on the southeast. Dubai features a tropical desert climate due to its location within the Northern desert belt. Summers are extremely hot, humid and really dry, with a mean high around 40 °C (104 °F) yet usually above 40, and overnight lows around 30 °C (86 °F). Most days in dubai are sunny throughout the year. Winters are warm and short with a mean high of 23 °C (73 °F) and overnight lows of 14 °C (57 °F). According to Healy Consultants, Dubai is that the top business gateway for the center East and Africa

The fact is, Dubai is one among the safest cities within the world, with very low crime rates meaning travelling round the city is extremely safe. That said, Dubai may be a big world city and customary sense precautions should be observed.

[Guide for Visit](#)

Citizens from the united kingdom, USA, Australia, New Zealand and most Western European and much Eastern countries are entitled to a free, 30-day extendable visit visa on arrival.

TOURIST ATTRACTIONS

Burj Khalifa, built by Dubai-based Emaar Properties PJSC, is the tallest building in the world, described as both a 'Vertical Capital' and 'A Living Marvel.' Rising gracefully from the desert, with its exquisite union of architecture, engineering and careful craftsmanship.

The Dubai Fountain, choreographed to music, blasts water up to 500 feet, which is as high as a 50-story structure. Dubai Fountain Performances take place every day on the 30-acre Burj Khalifa Pool, built by the designers of the Fountains of Bellagio in Vegas.

For luxury shops like Cartier and Harry Winston, this downtown mall is known. It also has an ice rink, an aquarium, and 360-degree views of the city from the tallest structure in the country, the Burj Khalifa.

For such a unique showcase and extravagant outdoor leisure venue, Miracle Garden is one of a kind in the region and worldwide. Miracle Garden offers state-of-the-art amenities and facilities in its first phase, including open parking, VIP parking, seating areas, etc.

Global Village is the first family destination for culture, entertainment and shopping in the region. It is a unique and integrated destination to enjoy the world's finest shopping, dining and entertainment experiences and offers guests a wide range of events.

Dubai Frame, the current cultural landmark of the UAE, is an architectural device that frames spectacular views of Old and Modern Dubai, thus acting as a metaphorical bridge linking the rich heritage of the Emirate with its glorious present.

To make you feel different in water in more ways than one, Aquaventure Waterpark offers a world of excitement. Get your heart racing on 30 slides and attractions, laugh your way down the longest Lazy River in Dubai, and chill on private beaches 500m away.

Located within the Emirates' Dubai Mall, Ski Dubai is the third largest indoor ski slope in the world and the first in the Middle East to open. 6,000 tons of snow are at your hands with a chair lift and a t-bar. Or you only want to learn good enough to fly down a 10-ramp,
