Important Dates

Visa Information/Dubai Entry Requirements

If you need a visa to enter United Arab Emirates, you might want to do that in advance, as it takes about several weeks/months for the UAE embassy or consulate to process your application. Please check the website of the Federal Foreign Office to find out if you require a visa to enter United Arab Emirates.

As a rule, visa applicants must appear in person at the embassy or consulate responsible for their place of residence to submit their application, supported by all necessary documents.

Visa application forms can be obtained from the embassy or consulate free of charge (in the local language). Please consult the local UAE embassy or consulate for more information.

Invitation Letter for Visa Applications

As we are only able to generate invitation letter for visa application through the registration site, it is important that you complete the online registration process to obtain your letter.

Accommodation Details:

Accommodation is provided at the conference venue. To know more about the accommodation details contact Ishanavi Navnidhi.

Letter of Invitation:

Diabetes Congress 2022 is pleased to offer letters of invitation to those planning to attend the conference. Confirming your participation would enable in generating the personalized letter of invitation to obtain travel documents.

Dubai Entry Requirements

Please check the following before you undergo any travel to Dubai:

1. Ensure you meet entry visa requirements to visit the UAE.
2. All passengers arriving to Dubai from any point of origin (including GCC countries) must hold a negative PCR test certificate, for which the test must be taken no more than 72 hours prior to the time of departure. As announced on 19 June 2021, travellers from certain countries must hold a negative PCR test, taken no more than 48 hours prior to the time of departure.
3. Negative COVID-19 certificates must be printed in English or Arabic; PCR certificates in other languages are acceptable if they can be validated at the originating station (the date and time of the test must be detailed). The printed certificate must have a valid QR code. No handwritten, SMS or digital certificates will be accepted.
4. You may be required to take another test at Dubai Airports upon arrival if travelling from select destinations or if you show symptoms of COVID-19 on arrival. All travellers must check the country requirements from which they are departing.
5. Children under the age of 12 and passengers with a severe or moderate disability are exempt from the PCR test.
6. Ensure you have medical travel insurance with international coverage that covers COVID-19 before travelling.

The conference was a wonderful opportunity to network with healthcare professionals from across the country. Everyone who attended exuded excitement about making a positive impact of global healthcare. It was an honor to be present.

Thank you for support and positive encouragement!.

Catherine M. Griswold, Healthcare Educators & Leagal Nurse Consultants, Inc., USA

9

I would like to thank you all for the opportunity and I really appreciated everything; organization, punctuality, and the level of scientificity of this meeting. Troubles with audio, video and transmissions related to the internet happens, unfortunately; but did not undervalue my presentation or the meeting.

I hope I can be part of the next one. I would like to Congratulate Inovine for this incredible meeting! Important scientific information. I was impressed with DR. Silverio Di Rocca and Dr Zane Z Hauck, their subject can help us move towards science and competence. Actually, all of the speakers gave us a blessing of information. Proud to be part of this.

Ana Cristina de Sousa Murray, University of Sao Paulo, Brazil

10

I would like to thank you for the opportunity to present my work at this event so important for a rehabilitation area

Jose Carlos Bomfim Lima, Nove de Julho University, Brazil

About City

Dubai is one of the seven Emirates that joined together in 1971 to form the United Arab Emirates (UAE). The other members are Abu Dhabi , Ajman, Fujairah, Ras Al Khaimah, Sharjah and Umm Al Quwain (each Emirate is named after its main city). Favourable business conditions and shrewd investment decisions have led to Dubai becoming one of the Gulf's most successful and rapidly expanding economic environments and Dubai is now firmly established as the business, financial and commercial hub of the region. It is a prosperous and diverse market and the employment growth required to match its expansion provides excellent opportunities for both clients and candidates. Indeed, Dubai has the fastest growing population in the world and is home to an exciting, diverse, multi-cultural blend of young, dynamic, professional people all enjoying the unrivalled quality of life the Emirate has to offer. People are drawn to the City as much for lifestyle reasons as for the outstanding employment prospects on offer.
