Welcome to the 5th World Dental Conference: Celebrating Life and Dental Health

The career advancement conference of the year for dental health professionals. Come celebrate the 5th World Dental Conference (WDC 2022) in Barcelona, Spain, May 25-26, 2022.

Are you ready to take the next phase in your dental career? To really inspire, nurture and empower yourself and your dental team? Then look no further – join us for the WDC 2021.

It'll be quite a celebration, consistent with our 2022 World Dental Congress theme: Celebrating Life and Dental Health!

Preparations are already being made by the conference committee and our professional team to reinvent this year's conference to bring you a memorable experience, featuring top-notch continuing education program, exciting networking and social gatherings for you, the attendee!

This year's scientific program will bring you the best of the best that dental education has to offer. Our world-renowned clinical educators are teaching the latest leading-edge concepts in dental and oral health areas. In addition, this year we'll have more prospects for a complete dental team than ever before. All our scientific sessions are designed to help you create a more fruitful and rewarding 2022.

Young Dentist Session, focusing on new dentists who have experienced huge success early in their career. This is an ideal opportunity to focus on issues that concern you most as a new dentist, learn from leaders in dental education, as well as network with your peers.

And Barcelona is a fantastic place to take a break from your routine work while you recharge with new ideas during the Holiday Season. Explore the city's amazingly varied culture or take a day trip to visit nearby scenic trails of the colorful parks, architectural marvels, and the beach-side nightclubs. Come solo, with a friend, with the dental team or bring the whole family!

We hope to see you all in Barcelona this May for a great Celebration of Life and Dental Health!

Prof. Dr. Wolfgang F. Schuster

Vice President-Austrian Society for Digital Dentistry

WHAT WILL WORLD DENTAL CONFERENCE - WDC 2022 GIVE YOU?

INNOVATIVE DENTAL TECHNOLOGY

Recognise emerging issues and get hands-on with the most cutting-edge technology in the dental industry and be on the forefront of research and innovation to create a seamless workflow at your practice.

CONTINUING DENTAL EDUCATION

In-depth, comprehensive dentistry sessions and hands-on workshops, each with tons of takeaways to immediately enhance your practice and workflow as soon as you return to your practice.

CAPTIVATING SPEAKER'S

Get inspired by the best and brightest minds in dentistry during scientific sessions and skill-building hands-on workshops. Get motivated by the market-leading dental experts and learn what it takes to bring your dental practice to the next level with enhanced patient care.

GLOBAL CONNECTION'S

Gain the knowledge and connections you need to leave this conference inspired, motivated, and empowered. Network with peers and mentors to find support, leadership opportunities and guidance in the field of Dentistry. Celebrate 3 days of networking with like-minded individuals.

ACTION-ORIENTED SESSIONS

Challenge yourself to take action and strive for the career you want. With sessions and topics ranging from clinical to marketing, creating a profitable practice, finding the clinical position of your dreams and more, you will find yourself seeing more progress in these three days than most do in an entire year!

TEAM BUILDING

World Dental Conference is most impactful when attended by a dental team. Not only will your dental team members learn in educational scientific sessions specifically designed for them, but it's a chance for everyone to have fun, building a stronger bond outside the clinic and leave feeling empowered.

WHO ATTENDS WDC 2022?

If you are a dental professional working in the dental industry, then the WDC 2022 is for you! Dentists, dental specialists, dental hygienists, oral health therapists, dental assistants, dental technicians, industry experts, dental/oral health educators, legislators, practice managers, dental residents, dental students and more make up the conference's diverse population.

World Dental Conference participants are dental professionals who care about the growth of their practice or business with enhanced patient care. Be a part of the brilliant people who influence and reform the ever-changing landscape of dentistry and oral health.

WDC 2022 fosters a friendly, warm and welcoming environment, where meeting and learning from your peers and coaches is strongly encouraged.
