Target Audience This activity is designed to meet the educational needs of Obstetricians, Gynecologists, Gynecologic Surgeons, OB/GYN residents and fellows

Learning Objectives Upon completion of this seminar, the participants should be able to:

- Describe pelvic anatomy as it relates to Gynecologic Minimally Invasive Surgery.
- Select appropriate surgical techniques and instrumentation for use in Gynecologic Minimally Invasive Surgery.
- Apply the skillset needed to efficiently perform laparoscopic suturing and knot tying.
- Demonstrate the skills and techniques necessary to perform complex benign gynecologic surgery.
- Apply skills needed for management of complications including the basic steps of laparoscopic bladder and bowel injury repair.
- Demonstrate techniques utilized in pelvic sidewall dissection required in advanced endometriosis surgery.

Activity Directors **Emad Mikhail, MBChB, MD, FACOG, FACS**
Minimally Invasive Gynecologic Surgery (FMIGS)
Assistant Professor
Department of Obstetrics and Gynecology
University of South Florida Morsani College of Medicine
Tampa, Florida

Nash Moawad, MD, MS, FACOG, FACS
Professor
Division Chief-Minimally Invasive Gynecologic Surgery
Department of Obstetrics and Gynecology
University of Florida College of Medicine
Program Director
Center of Excellence in Minimally Invasive Gynecology (COEMIG) at UF Health
Gainesville, Florida

Faculty **Jose Carugno, MD, FACOG**
Associate Professor Obstetrics and Gynecology
MIS/Robotic Division Director
University of Miami, Miller School of Medicine
Miami, Florida

Anthony N. Imudia, MD

Assistant Professor
Director, USF Center for Fibroid and Endometriosis Research and Treatment
Division of Reproductive Endocrinology and Infertility
Department of Obstetrics and Gynecology
University of South Florida Morsani College of Medicine
Tampa, Florida

Samar Nahas, MD, MPH, FRCSC, FACOG

Chair, Department of Obstetrics and Gynecology
Division Director, Gynecology Oncology
University of California
Riverside School of Medicine
Riverside, California

Resad Paya Pasic, MD, PhD

Professor of Obstetrics and Gynecology
Director of the Center of Minimally Invasive Surgery
Co-Director of the Fellowship in Advanced Gynecologic Laparoscopy
Department of Obstetrics and Gynecology
University of Louisville
Louisville, Kentucky

Megan Wasson, DO, FACOG

Chair Department of Medical and Surgical Gynecology
Consultant | Associate Professor
Mayo Clinic, Phoenix, Arizona

Relevant Financial Relationships Prior to the activity, USF Health will disclose and mitigate all relevant financial relationships that relate to the content of the activity.

**Accreditation
Physicians**

ACCME:

USF Health is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

USF Health designates this live activity for a maximum of 14.25 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ABOG MOC Part IV:

The ABOG MOC standards now allow participation in ABOG-approved Simulation Courses to meet the annual Improvement in Medical Practice (Part IV) MOC requirement. This course has been approved to meet ABOG Improvement in Medical Practice requirements until 12/31/2023. Please review the current MOC Bulletin for further information: <https://www.abog.org/about-abog/bulletins>

Disclaimer

The information provided at this CME/CE activity is for continuing education purposes only and is not meant to substitute for the independent medical/clinical judgment of a healthcare provider relative to diagnostic and treatment options for a specific patient's medical condition.

Fees

Profession	Early Registration Fee Until January 3, 2022	Late Registration Fee After January 3, 2022
Physicians	\$2450.00	\$2700.00

How to Register

ONE EASY WAY TO REGISTER:

Registration is easy. Go to <https://health.usf.edu/cpd/> and click on "Course Offerings" and search for course under "Live Activities"

TWO EASY WAYS TO PAY:

1. Pay by Credit Card Online: A payment confirmation will be emailed to the participant.
2. Pay by Check: After registering online, a payment voucher with instructions will be emailed to the participant. Registration will not be confirmed until payment is received.

Please Note: Payment will not be accepted onsite.

Cancellation Policy:

Due to faculty, tissue and resources being procured based on course attendance, USF Health Professions Conferencing Corporation must adhere to the following cancellation policy:

- All requests for cancellation, transfer or refunds must be received in writing to camlsoptions@usf.edu.
- For cancellation requests received **at least 31 calendar days** prior to the start of the activity, a refund will be provided minus a \$75 administrative fee
- Requests for a transfer to another course date **at least 31 calendar days** prior to the start of the activity will be honored with no additional fees. The new course date must be within 6 months of the original course date.
- No refunds or requests for transfer will be provided if cancellation is received **within (and including) 30 calendar days of the start date of the course**
- No-shows are not eligible for a refund or transfer.

USF Health Professions Conferencing Corporation reserves the right to cancel this activity due to unforeseen circumstances, in which you will be contacted via phone and/or email to reschedule or issue a refund. USF Health Professions Conferencing Corporation is not responsible for travel expenses incurred by the participants in the rare event that this activity is canceled or postponed.

If you have any questions, please contact camlsoptions@usf.edu or 813 224-7840.
