ABOUT CONFERENCE

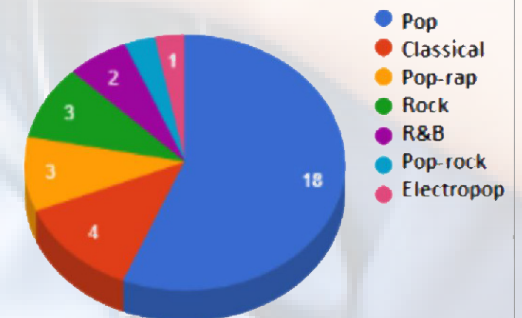

ConferenceSeries cordially invites the participants from all over the world to present and exchange knowledge at the renowned “**World Congress on Nursing Education and Patient Safety**” which is scheduled during **February 22-23, 2023 in Toronto, Canada**. With dynamic Keynote presentations, oral talks, poster presentations, and exhibitions from renowned practitioners in the field of physics and its disciplines, this event offers a hybrid research forum for Nursing Education and Patient Safety, with a focus on the theme of “**Exploring Latest Advancement in Nursing Education and Patient Safety**.” You will gain new knowledge about physics that will be really helpful.

Market analysis:

Nursing care refers to collaborative and autonomous care of individuals of all ages, group, communities and families by skilled person or nurses. Nurses are trained professionals which promote health and prevent diseases. Nurses help patient to cope up with illness and provide assistance to patients in medical procedures. Nurses are responsible for assessing patient, giving medicines and treatments. Nurses also develop and manage nursing care plans. Nursing care includes prevention and cure of diseases. Nursing care includes approaches of personalized care with more safety, convenience and comfort.

Venue

Toronto is the capital city of the Canadian province of Ontario. With a recorded population of 2,794,356 in 2021, it is the most populous city in Canada and the fourth most populous city in North America. The city is the anchor of the Golden Horseshoe, an urban agglomeration of 9,765,188 people surrounding the western end of Lake Ontario, while the Greater Toronto Area proper had a 2021 population of 6,712,341. Toronto is an international center of business, finance, arts, sports and culture, and is recognized as one of the most multicultural and cosmopolitan cities in the world. Indigenous peoples have travelled through and inhabited the Toronto area, located on a broad sloping plateau interspersed with rivers, deep ravines, and urban forest, for more than 10,000 years.

Date:
February 22-23, 2023

Venue:
**Radisson Toronto Airport West
Toronto, Canada**
