"Theme: Nursing and Healthcare Contribute to a Healthier Future"

9th INTERNATIONAL CONFERENCE ON **EURO NURSING & HEALTHCARE**

NOVEMBER 23-25, 2023 | LONDON, UK

<https://euronursing.pulsusconference.com/>

INVITATION

EURO NURSING 2023

Good will,

We are much more grateful to welcome the attendees from all over the world with the great ideologies in the field of Nursing and Healthcare.

It follows the theme “Nursing and Healthcare Contribute to a Healthier Future”.

This conference will be an excellent chance for Nurses, Doctors, Nurse Practitioners, Surgeons, Healthcare Researchers, Scientists, and the Nursing Faculty to discuss Nursing care and Research.

We believe that the more you participate in a conference, the more you will benefit from it. Thus, we would encourage your active participation by taking full advantage of the opportunity to network with these highly respected Nursing professionals. Through current Keynotes, Poster Presentations, Colloquia, Workshops, and a Young Researchers Forum on new technologies in Nursing and Healthcare education, this conference offers a unique opportunity for worldwide networking and idea exchange.

We welcome you and hope that the 9th International Conference on Euro Nursing and Healthcare will challenge and inspire you in the coming year, resulting in new Knowledge, Partnerships, and Friendships.

Regards,
Freya Winston | Program Manager
Organizing Committee | Euro Nursing 2023

ABOUT US

Pulsus Group is an internationally renowned peer-review publisher in scientific, technical, and medical journals established in the year 1984 with offices in Ontario, Canada and Hyderabad, India has acquired Andrew John Publishing and openaccessjournals.com to expand its Open Access Publishing through its 50+ journals in association with 20+ International medical and scientific societies.

Pulsus through its cmesociety.com is been very instrumental to provide an invaluable channel for scientists and researchers to exchange ideas and research by creating a forum for discussing the possibilities of future collaborations between universities, institutions, research bodies and organizations from different countries through international CME/CPD accredited conferences and meetings.

Pulsus Group is a Medical publisher that adheres to stringent peer-review procedure with a view to set an example in promoting standard medical research with integrity. Pulsus Group takes pride in getting the endorsements of prestigious associations and societies like Canadian medical societies. As an ardent supporter of medical publishing, Pulsus Group closely associates with the Canadian and other international medical research associations. It publishes a wide range of medical journals that focus on medical specialties like cardiology, Integrative Medicine, Surgery and Reproductive Medicine. Pulsus group is closely associated with globally renowned academic and research societies like Canadian Society of Plastic Surgeons, Canadian Society for Aesthetic Plastic Surgery, Groupe pour l'Avancement de la Microchirurgie Canada, Canadian Society for Surgery of the Hand.

MARKET ANALYSIS

The industry for Nursing Education is expected to grow at a CAGR of 3.3% from 2021 to 2027, from USD 9132.4 million in 2020 to USD 11470 million. The Nursing Education Market will have a stunning increase in CAGR in terms of revenue over the following five years.

The "Nursing Education Market" study, which covers the years 2022 to 2027, examines the market size, share, significant types, and applications. It also provides logical and factual summaries of the market's overview, CAGR, production volume, sales, and revenue. North America, Europe, Asia-Pacific, Latin America, the Middle East, and Africa are all included in the regional study. The study focuses on Top institutes like King's College London, Johns Hopkins University, University of Pennsylvania, University of California, and Duke University (KCL).

ABOUT VENUE

The arts, entertainment, fashion, business and finance, health care, the media, science and technology, tourism, and transport and communications are all significantly influenced by London. It is home to some of the top academic institutions in the world, including the comprehensive University College London, the London School of Economics for social sciences, and Imperial College London for natural and applied sciences. It also has Europe's highest concentration of higher education institutions. The busiest city airport system in the world is in London, the most visited city in Europe. The oldest rapid transport system in the world is the London Underground.

Over 300 different languages make up London's various cultures. Greater London was the third-most populated metropolis in Europe as of mid-2018, with a population of nearly 9 million, making up 13.4% of the population of the United Kingdom and more than 16% of the population of England. According to the 2011 census, the Greater London Built-up Area has 9.8 million residents, making it the fourth most populated region in all of Europe. With around 14 million residents as of 2016, the London metropolitan area ranked third in terms of population in all of Europe, making London a megacity.

Top visiting Places:

Buckingham Palace | The London Eye | Warner Bros. Studio | Westminster Abbey | SEA LIFE London | IFS Cloud Cable Car | London Transport Museum
