About us

Scientex Conferences provide a global platform for exchanging ideas and keeps on updating about the latest innovations in different Subjects. Opportunity to attend the presentations delivered by eminent Scientists from all over the world. Global networking: In transferring and exchanging Ideas. A Unique Opportunity for Advertisers and Sponsors at this International event. We present you team of dedicated minds driven by the thought of gathering together the people of alike objected to an exclusive platform. Science brings forward the art of molding the experience and the experiments into a reality. These assembling realities, eventually, give birth to the various fields all together comprise a world get known as science, technology, and advancement. Scientific Meet Icon conference acts a dais where people from various parts of the world come together and discuss topics, ranging from physics to medicine, ever beneficial to an advancement of the human civilization. Alongside, the news and views get exchanged among the personnel across the globe. Scientific Meet Icon strives toward evolving a resource of information, unprecedented problems as well as their solutions such that it enhances the very core of the scientific community thus adding values to human society. Come. Join us! View the substantial minds talk their cut- through researches at the Scientific Meet Icon conferences. Well organized scientific program. [\(click here for more\)](#)

- Renowned speakers and scientists across the globe.
- Poster presentations and world class exhibits.
- Panel discussions and interactive sessions.
- B2B meetings.
- Perfect platform for Global Networking

Conference and Webinar Details

About Conference

With the success of previous conferences of Diabetes, Scientex Conferences would be glorious to declare the upcoming conference “**4th Global Meeting on Diabetes and Endocrinology**” scheduled on **November 18-19, 2024** in **Bangkok, Thailand**.

The theme focus on the conference is **Modern medical research and application on diabetic condition & endocrinology function**

With the great achievement of Diabetes 2023 conference held at Dubai, UAE, we take an immense pleasure to welcome all the diabetologist, endocrinologist, diabetes researchers, scientist, general physician, family medicine doctors, research scholars, nutritionist, dietician, pharmacologist, diabetes business executive and internal medicine specialist from all over the globe.

We assure that this conference will provide more innovative ideas and we hope that this is a best platform for diabetes gathering. Meet our 150+ experts from different Nation at the “Land of Smiles” (Thailand).

Join us at Diabetes 2024 and be a part of the movement to advance together against diabetes.

About Webinar

With the grand accomplishment of Diabetes 2023 webinar, Scientex Conferences would be desire to host the next series of Diabetes virtual conference “**4th Global Webinar on Diabetes and Endocrinology**” which will be host on November 25-26, 2024 at Bangkok time zone (**GMT+7**).

Diabetes 2024 webinar welcome all the researchers and scientists in the field of diabetes & endocrinology to share the advanced innovative research ideas among with us through Zoom platform.

The aim of this webinar to bring together worldwide academics in the field of Diabetes and Endocrinology to exchange and share meaningful experiences of various treatments those who are unable to attend the physical conference due to various reasons such as travel restriction, pandemic situation and other reason.

Attendees have the opportunity to get e-certificate for both speakers and delegates. Join this intimate forum to share your innovation in the webinar with new advanced therapies for the condition of Diabetes and Endocrinology.

Looking forward to seeing in Diabetes 2024 webinar!

CONFERENCE HIGHLIGHTS

- Lectures by the active Investigators
- Keynote forums by Renowned Speakers
- Speaker Forum
- Poster Sessions on latest Innovation in all the relevant Areas
- Panel discussions and interactive sessions.
- Open Innovation Challenges
- Poster Sessions on every career stage
- Post-Doctoral Career Development Session
- Young Research Forum
- B2B Meetings
- Global Networking with 50+ Countries
- Novel techniques to benefit your research
- Best platform for Global business and Networking opportunities
- Excellent platform to showcase the latest products in Diabetes and affiliates

TARGET AUDIENCE

- Diabetologist
- Endocrinologist
- Global researchers of Diabetes
- Associate professors of General Medicine, societies and association
- General Physician
- Business Professionals
- Business Delegates
- Research Scholars
- Fertility specialist
- Paediatrician
- Internal Medicine specialist
- Family Medicine specialist
- Healthcare Nutritionist and Dietician
- Resident Doctors
- Product & Device Manufactures

Session Highlights

- **Diabetes Mellitus & Research**
- **Endocrine Gland and Disorders**
- **Types of Diabetes**
- **Diabetes Symptoms and Complications**
- **Nursing care and Management on Diabetes**
- **Endocrine and Hormonal imbalance**
- **Diabetic clinical care and Prevention**
- **Obesity and Metabolism for Diabetes**
- **Reproductive Endocrinology & Infertility**
- **Pediatric Endocrinology**
- **Pituitary and Neuroendocrinology**
- **Diabetic Retinopathy**
- **Treatment and therapies on Diabetes**
- **Pancreatitis and Role of insulin**
- **Cardiovascular risk on diabetes**
- **Clinical Endocrinology**
- **Advances and Latest trends on diabetic research**
- **COVID19 and Diabetes**
- **Genetics of Diabetes**
- **Thyroid Disorders**
- **Diabetic Nephropathy**
- **Business and Medical devices research on Diabetes**
- **Endocrine surgery**
- **Diabetic foot**
- **Steroid Hormones and Receptors**
- **Stem Cell treatment in Diabetes**

Venue and Hotel Details

Hotel Name and Address:

GRAND MERCURE BANGKOK ATRIUM

1880 New Petchburi Road, Bangkapi Huay Kwang, Bangkok, 10310
Thailand

About Venue:

Bangkok, Thailand is a Vibrant Metropolis and it is the capital & largest city of Thailand. It serves as the economic, cultural, and political hub of the country. While preserving its cultural heritage, Bangkok has embraced modernity with a skyline featuring towering skyscrapers, shopping malls, and contemporary architecture. Bangkok hosts various cultural events and festivals throughout the year. Bangkok's dynamic blend of tradition and modernity, combined with its warm hospitality, makes it a captivating destination for travellers seeking a diverse and immersive experience in Southeast Asia.

Bangkok Familiarities

The Jim Thompson museum showcases traditional Thai architecture and an impressive collection of art and antiques.

Chinatown and Khao San Road are renowned for their delicious and affordable local dishes.

Lumpini Park provides a tranquil escape in the heart of the city.

Bangkok is a shopping haven with modern malls like Iconsiam, Siam Paragon, and Central World offering high-end brands, entertainment, and diverse dining options.. ([click here for more](#))

Testimonials

Feedback

Saverskaya Elena Nikolaevna
Russian Federation

Thank you very much for the invitation to speak at the congress! Thank you for organizing the event at the highest level! Thank you for your help in preparing the documents and for your sensitive support throughout our communication! We wish you success and development! We look forward to meeting you again!

I would like to note the high level of organization of the event, very interesting reports and wonderful photographs that will remain as a memory of the conference!

Ushakiran Sisodia
India

3rd Global meeting on Diabetes and Endocrinology had been conducted in November 27-28, 2023 in Dubai, UAE. With theme of Modern medical research and application on diabetic condition & endocrinology function. This Scientex Conference was a great success and very well organised .and enhancing to my career growth. A wonderful platform to share knowledge around the globe. All delegates were very knowledgeable in their field.

Silva Hovsepian
Iran

I hope this letter finds you well. I wanted to take a moment to express my sincere appreciation for your hard work and dedication in organizing such a successful conference. It was a pleasure to attend and participate in such an informative and engaging event.

Rivanha Soares Pinto Saraiva
Brazil

My dear friends, I am very happy for all the care and patience you showed in welcoming me to this webinar.

I feel flattered to have been chosen to contribute to science even from a distance.

I hope to soon be able to meet you in person and participate in other editions of this beautiful event. Gratitude to the entire team, who with great care made this magnificent event a success.

I will always be available when you need me.

Pooran Mal
Pakistan

Congratulations for a nice conference

Malineat Ung,
Cambodia

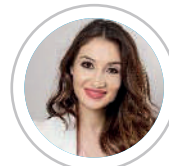

Thank you very much Scientex organization Conferences 2023, Dubai, UAE, That invited me to attend as a speaker at the 3rd Global Meeting on Diabetes and Endocrinology scheduled on 27- 28 November, 2023. It is a great opportunity to learn and share knowledge with international speakers around the world.

I Hope to see you again at the next Conference.

Lucas Faria de Castro
Brazil

It was a great opportunity to discuss interesting cases, and also to share experiences and knowledge. Thank you, the organizers, for the invitation. See you soon in Bangkok.

Georgiana Bernea David
Romania

It was an honour for me to participate at this congress and all the presentations were very interesting.

Muhammad Sajjad Ali Gill
Pakistan

It was wonderful experience with your organization and team. I really appreciated of your management hard working and best organizing event & Brilliant stuff

Michael Dandoulakis
Greece

Thank you for the opportunity you gave me to participate to your conference. I had the opportunity to hear the projects of important colleagues from different countries and to share with them our research efforts at the field of improving quality in primary care. As it is well known diabetes is a very common health problem that a health care provider is dealing with.

Past Scientific Program

3rd Global Meeting on Diabetes, Obesity and Endocrinology

November 27-28, 2023 | Dubai, UAE

DAY 01: NOVEMBER 27, 2023

INTRODUCTION : 09:45-10:00

KEYNOTE PRESENTATIONS

10:00-10:30	<p>Title: Diabetes and complication</p> <p>Malineat Ung, Cambodia Korea Diabetes Center (Preah Kossamak Hospital), Cambodia</p>
10:30-11:00	<p>Title: Development of mobile application in assessing Commuting Accident Risk (CommuRisk) amongst commuters at Klang Valley, Malaysia</p> <p>Mohd Rafee Baharudin, Universiti Putra Malaysia, Malaysia</p>
11:00-11:15	Photo Session & Break

SPEAKER PRESENTATIONS

11:15-11:35	<p>Title: Predictability of the development of insulin resistance based on the risk factors among female medical students of a private college in Saudi Arabia</p> <p>Yousria Abd Alaziz Badawy, Ibn Sina National College for Medical Sciences, KSA</p>
11:35-11:55	<p>Title: Dietary patterns and nutrient intakes in SLE patients in Oman</p> <p>Asma Nasr Hamood Al Kindi, University of Technology and Applied Sciences, Oman</p>
11:55-12:15	<p>Title: Investigating compliance with insulin injection regimens among diabetic patients in Najran Armed Forces Hospital</p> <p>Metrek Almetrek, Najran University, KSA; Maryam Ali Alqahtani, Najran Armed Forces Hospital, KSA; Manar Hamdan Mohammed Alsallum, Ministry of Health Najran Region, KSA</p>
12:15-12:35	<p>Title: Genomic approach to identify reference basic genes in glucose homeostasis along with the immunohistochemical profile of diabetic and non-diabetic human pancreases</p> <p>Nithyakalyani Mohan, Apollo Group of Hospitals, India</p>
12:35-12:55	<p>Title: Efficacy and safety of empagliflozin: Real-world tertiary center experience from the Kingdom of Saudi Arabia</p> <p>Muhammad Imran Butt, King Faisal Specialist Hospital & Research Centre; Al Faisal University, KSA</p>
12:55-13:35	Lunch Break

13:35-13:55	<p>Title: A case capsule 106 to 78 kg weight loss amazing result</p> <p>Ushakiran Sisodia, Nanavati Max Super Specialty Hospital, India</p>
13:55-14:15	<p>Title: COVID-19 reinfection in 60-year-old man with diabetes mellitus, East Nusa Tenggara, Indonesia: A case report</p> <p>Albert William Hotomo, Nusa Cendana University, Indonesia</p>
14:15-14:35	<p>Title: Ocular ultrasonography for detection of posterior segment pathology in adult patients presenting with blurred vision</p> <p>Suaad Mohammed Bazzaz, Hawler Medical University College of Medicine, Iraq</p>
14:35-14:55	<p>Title: Compliance to diabetic therapy; patients attending diabetic center of a tertiary hospital at Arar in KSA</p> <p>Ashfaque Rahim Memon, Isra University Pakistan, Pakistan</p>
