ABOUT THE CONFERENCE

Scitechseries introducing with great excitement about **“International Conference on Obesity and Weight Management” (Obesity 2024)** invites participants worldwide to join the conference scheduled from **October 16-17, 2024** in **Las Vegas, USA.**

This conference centers around the theme **“Shaping a Healthier Future: Strategies for Global Obesity and Weight Management.”**

Obesity 2024 marks a significant leap in obesity research and weight management on the global stage. With a focus on education, the conference aims to propel advancements in tackling obesity challenges. Emphasizing cutting-edge methodologies and a robust pedagogical framework, our goal is to guide the next generation of experts. We invite scientists, medical practitioners, researchers, and delegates to join Obesity 2024, contributing to shaping the future of obesity research. Your presence will be pivotal in fostering collaboration and advancing the understanding and treatment of this global health challenge.

Together, let's elevate obesity and weight management to new heights.
