INVITATION

We cordially invite you to participate in the upcoming international conference on Mental Health & Psychiatry, hosted by Stripe Conferences. Mark your calendars for September 23-24, 2024, in London, UK. This event will explore the ***“integration of psychiatry with complementary therapies”***, emphasizing the collaboration of global thought leaders and experts.

This conference serves as a distinctive platform for the convergence of innovative minds, offering two immersive days featuring scientific presentations, networking opportunities, and collaboration with pioneering companies at the forefront of Psychiatry. The overarching goal of conference is to establish an international technical forum that showcases recent breakthroughs in Mental Health and Psychiatry.

By uniting esteemed researchers and emerging leaders, the conference aims to foster scientific exchange and nurture a dynamic community dedicated to advancing the boundaries of knowledge in this evolving field. We invite you to join us in Dubai as we collectively contribute to shaping the future of mental health.

SINCERELY,

Organizing Committee
Mental Health 2024.

ABOUT LONDON

London, the vibrant capital of the United Kingdom, is a global hub of culture, history, and diversity. Boasting iconic landmarks like the Tower of London, Buckingham Palace, and the British Museum, the city offers a unique blend of tradition and modernity. Its rich cultural tapestry, world-class entertainment, and thriving culinary scene make London a captivating destination for both locals and visitors alike.
