About us

Scientex Conferences provide a global platform for exchanging ideas and keeps on updating about the latest innovations in different Subjects. Opportunity to attend the presentations delivered by eminent Scientists from all over the world. Global networking: In transferring and exchanging Ideas. A Unique Opportunity for Advertisers and Sponsors at this International event. We present you team of dedicated minds driven by the thought of gathering together the people of alike objected to an exclusive platform. Science brings forward the art of molding the experience and the experiments into a reality. These assembling realities, eventually, give birth to the various fields all together comprise a world get known as science, technology, and advancement. Scientific Meet Icon conference acts a dais where people from various parts of the world come together and discuss topics, ranging from physics to medicine, ever beneficial to an advancement of the human civilization. Alongside, the news and views get exchanged among the personnel across the globe. Scientific Meet Icon strives toward evolving a resource of information, unprecedented problems as well as their solutions such that it enhances the very core of the scientific community thus adding values to human society. Come. Join us! View the substantial minds talk their cut- through researches at the Scientific Meet Icon conferences. Well organized scientific program. [\(click here for more\)](#)

- Renowned speakers and scientists across the globe.
- Poster presentations and world class exhibits.
- Panel discussions and interactive sessions.
- B2B meetings.
- Perfect platform for Global Networking

Conference and Webinar Details

About Conference

With a grand success of Neuroscience Congress 2024, we cordially invite all the researchers, scientists, academia, and students across the world to engage in our “**3rd International Conference on Neuroscience and Mental Health**” scheduled during **May 15-16, 2025** in Dubai, UAE. The main theme of the conference is “**Innovations and Global Perspectives in Neuroscience and Mental Health**”.

Neuroscience Congress 2025 is to improve the research and development activities in Neuroscience, Mental Health and Neurology for learners and practitioners at all levels and to promote scientific knowledge.

We are optimistic that the **3rd International Conference on Neuroscience and Mental Health** going to be a great milestone in research field.

We welcome you to participate in Neuroscience Congress 2025 and wish you to gather knowledge and create achievements. ([click here for more](#))

About Webinar

Scientex conferences cordially invite you to join us at the **3rd International Webinar on Neuroscience and Mental Health** scheduled during **May 29-30, 2025** at Dubai standard time (GMT+4). The theme of the webinar will be “**Innovations and Global Perspectives in Neuroscience and Mental Health**.”

To conquer the obstacle of your journey of acquiring knowledge, we created a virtual platform for people who are unable to attend the physical conference due to unforeseen situations, economical and personal reasons.

We are welcoming you all to eagerly participate in our webinar to share and gain knowledge about recent advancements in Neuroscience and Mental Health Conference. ([click here for more](#))

CONFERENCE HIGHLIGHTS

- Lectures by the active Investigators
- Keynote forums by Renowned Speakers
- Speaker Forum
- Poster Sessions on latest Innovation in all the relevant Areas
- Panel discussions and interactive sessions.
- Open Innovation Challenges
- Poster Sessions on every career stage
- Post-Doctoral Career Development Session
- Young Research Forum
- B2B Meetings
- Global Networking with 50+ Countries
- Novel techniques to benefit your research
- Best platform for Global business and Networking opportunities
- Excellent platform to showcase the latest products in Neuroscience and affiliates

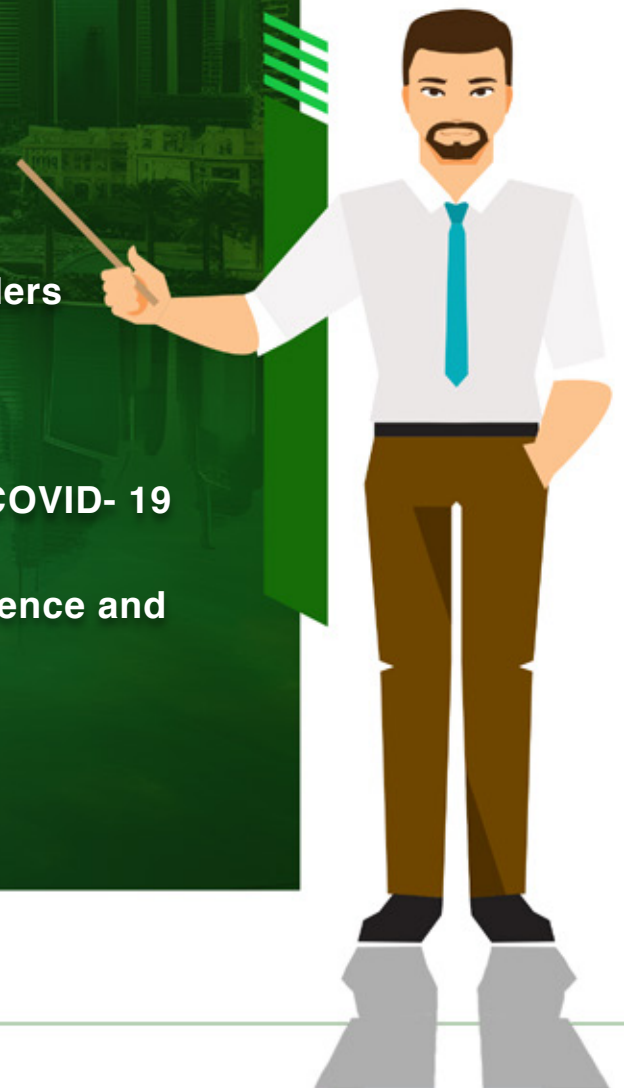

TARGET AUDIENCE

- Neurologists, Neurosurgeons,
- Neuroscientists, and Researchers
- Neurology Faculty and Students
- Neuro-oncologist and Neuroimmunologist
- Psychiatrists and Psychologists
- Doctors and Scientists
- Universities, Associations, and Societies
- Students and Research Scholars
- Business Delegates
- Product Manufacturer
- Healthcare Professionals

Session Highlights

- **Neuroscience and Neurology**
- **Central Nervous System**
- **Cognitive and Behavioural Neuroscience**
- **Neuropharmacology and Neuroendocrinology**
- **Neuro-Oncology**
- **Brain and Neurological Disorders**
- **Neurosurgery and Spine**
- **Pediatric Neurology**
- **Psychology and Mental Health**
- **Stress, Trauma, and Resilience**
- **Neuropsychiatry and Psychiatric Disorders**
- **Child and Adolescent Psychiatry**
- **Neurological Outcomes After Effect of COVID- 19**
- **Research and Case Studies in Neuroscience and Mental Health**

About Venue

CITY SEASONS SUITES HOTEL

8th Street, Deira District, Dubai, United Arab Emirates

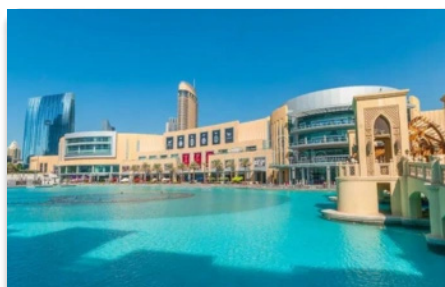

City Season Suites Hotel is conveniently located close to Dubai International Airport in the heart of the city. Whether you're here for work or leisure you'll find access to Dubai's offerings. Positioned strategically on Sheikh Zayed Road, Dubai's retail center, City Season Suites Hotel is a perfect starting point, for both business travelers and tourists alike. With top notch shopping spots, the Dubai World Trade Centre, Dubai Mall, Dubai International Financial Centre, various consulates, and the Dubai Metro a stone's throw guests can effortlessly discover all that the city has to offer. The hotel has an executive floor and a private executive lounge that provide dining choices and beautifully designed rooms. Whether visiting for business or pleasure, the hotel's attentive service and top-notch facilities ensure guests maximize their Dubai experience.

About Venue:

Dubai, located in the United Arab Emirates, is a global city known for its futuristic skyline, luxury shopping, and vibrant culture. Dubai is located on the southeastern shore of the Persian Gulf. The emirate has a flat, sandy desert terrain, which extends inland, with the exception of the Hajar Mountains to the east. Dubai is a major tourist destination, attracting millions of visitors annually with its shopping festivals, luxury resorts, and attractions like the Burj Khalifa, the world's tallest building, and the Palm Jumeirah, an artificial archipelago. Dubai continues to grow and innovate, with plans for new mega-projects, including the Dubai Creek Harbour and Marsa Al Arab. Sustainability and smart city initiatives are also at the forefront, aiming to make Dubai a leader in technology and environmental stewardship.

Join us for the Neuroscience Congress 2025 in Dubai, UAE, an event that promises both academic and professional development as well as an outstanding cultural experience. Connect with prominent professionals, network with peers, and discover Dubai's unique beauty. ([click here for more](#))

TOP REASONS TO PARTICIPATE

- Develop Your Network
- Position Yourself as an Expert
- Meet Experts & Influencers Face to Face
- Gain Targeted Knowledge
- New Tips & Tactics
- Invest In Yourself
- Gain New Collaborations
- Present your Ideas and Work
- Be Inspired
- Travel, Explore and Have Fun!!

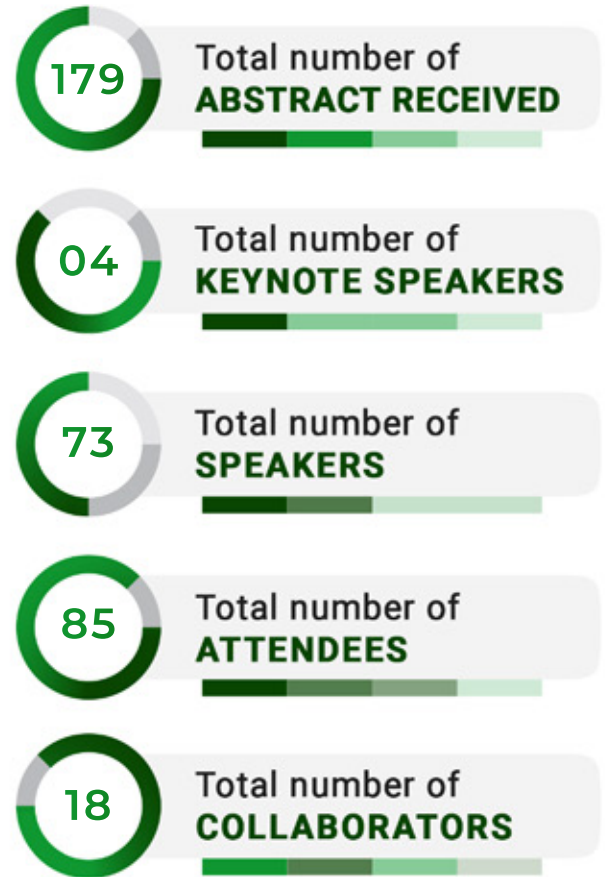

Past Event Report

About Past Event:

The “2nd International Conference on Neuroscience and Neurology” in Bangkok, Thailand, during **May 06-07, 2024** and “2nd International Webinar Neuroscience on Neurology” from **May 13-14, 2024 (GMT+7)** was successfully hosted by Scientex Conferences. Neuroscience Congress 2024 centered around the theme of “*Establishment of future advancements in Neurological and Neuroscience research*” and proved to be a remarkable success. Distinguished keynote speakers from renowned companies and universities graced the occasion, making significant contributions as they addressed the gathered audience.

The generous response and active participation of the Organizing Committee Members played a major role in the success of Neuroscience Congress 2024. We extend our heartfelt gratitude to all the esteemed guests, keynote Speakers, Poster Presenters, and Delegates for dedicating their time and sharing their valuable research within our peer network. Also, Neuroscience Congress 2024 Organizing Committee would like to thank everyone who attend the conference for making the sessions such a worthwhile experience.
