Invitation

Dear Colleagues,

We are delighted to extend a warm invitation to you for the **2nd Global Congress on Pediatric Physiotherapy and Rehabilitation Medicine**, scheduled to take place from **December 12-13, 2024**, in the vibrant city of **Dubai, UAE**. This year's congress has a particularly relevant and timely theme: ***"Advancements in Pediatric Rehabilitation: Innovations and Insights in Pediatric Physical Therapy"***

The **Pediatric Physiotherapy 2024** promises to be an enriching and informative event, bringing together leading experts, researchers, clinicians, and educators in the field of pediatric physiotherapy and rehabilitation medicine from around the globe. Through engaging presentations, interactive workshops, and networking opportunities, attendees will have the chance to explore the latest advancements, share best practices, and collaborate on strategies to enhance pediatric rehabilitation outcomes.

Key Topics Include:

- **Advances in Pediatric Physiotherapy**
- **Innovative Rehabilitation Techniques for Children**
- **Neurodevelopmental Therapy in Pediatrics**
- **Pediatric Orthopedic Rehabilitation**
- **Technology and Rehabilitation for Pediatric Patients**
- **Mental Health and Well-being in Pediatric Rehabilitation**
- **Early Intervention Strategies**
- **Case Studies and Clinical Insights**

In addition to the scientific program, attendees will have the opportunity to network with colleagues, engage with industry leaders, and discover new products and services in the exhibition area.

We encourage you to mark your calendars and join us for this exceptional gathering of minds dedicated to advancing pediatric physiotherapy and rehabilitation medicine.

We look forward to welcoming you to **Dubai** for what promises to be a stimulating and rewarding **Pediatric Physiotherapy 2024**.

Good Reasons To Submit Your Abstract

"Empower Your Research: Elevate Your Impact at the 2nd Global Congress on Pediatric Physiotherapy and Rehabilitation Medicine"

Share Research and Expertise: The **Pediatric Physiotherapy 2024** provides a platform to share your research findings, innovative ideas, and expertise with a global audience of physiotherapy and rehabilitation professionals.

Networking Opportunities: The **Pediatric Physiotherapy 2024** brings together professionals, researchers, and practitioners from around the world, offering valuable networking opportunities to connect with peers, potential collaborators, and leaders in the field.

Visibility and Recognition: Presenting your abstract at a Pediatric Physiotherapy 2024 congress enhances your visibility within the physiotherapy and rehabilitation community and can lead to recognition for your work.

Feedback and Collaboration: Presenting your abstract allows you to receive feedback from peers and experts in the field, fostering collaboration and potential future research partnerships.

Professional Development: Participating in the **Pediatric Physiotherapy 2024** and presenting your abstract can contribute to your professional development by staying updated on the latest research trends, advancements, and best practices in physiotherapy and rehabilitation medicine.

Contribution to the Field: By presenting your research or innovative ideas, you contribute to the advancement of knowledge and practices in physiotherapy and rehabilitation medicine, ultimately benefiting patients and the healthcare community.

Stay Informed: Attending the **Pediatric Physiotherapy 2024** allows you to stay informed about emerging technologies, treatment modalities, and research methodologies in physiotherapy and rehabilitation medicine.

Inspiration and Motivation: Engaging with other researchers and professionals at the congress can inspire new ideas, collaborations, and approaches to addressing challenges in the field, motivating further innovation and advancement.

Why Dubai?

The physical therapy market in the UAE has seen steady growth in recent years, driven by factors such as an increase in lifestyle-related injuries, an aging population, and a growing awareness of the benefits of physical therapy. According to a report, the PT market is expected to grow at a compound annual growth rate of 6.1% between 2020 and 2025, reaching a value of USD 293.14 million by 2025. The report also mentions that the private sector is the dominant provider of physiotherapy services in the UAE, with government initiatives aimed at improving healthcare infrastructure and promoting healthy lifestyles driving further growth.

Additionally, the growing availability of specialized treatments and technologies, such as robotic rehabilitation and virtual care, is expected to further boost demand for physical therapy services in the UAE. Overall, the physical therapy market in the UAE presents promising opportunities for PT practitioners and investors alike.

Dubai is a vibrant and modern city known for its stunning architecture, luxurious shopping, and cultural attractions. Here's a list of some of the top attractions you can explore while visiting Dubai:

- **Burj Khalifa**
- **Burj Al Arab**
- **Dubai Mall**
- **Dubai Marina**
- **Dubai Creek**
- **Palm Jumeirah**
- **Jumeirah Beach**
- **Dubai Opera**
- **Dubai Miracle Garden**
- **Global Village and many more**
