# Guidelines

## Speaker

Oral presenters will be allocated 20 minutes for their presentation and 5 minutes for questions and answers.

20 slides are optimal, allowing 1 minute per slide.

Speakers must bring their slides on a portable drive to the Conference hall so slides can be uploaded to the presentation computer.

## Poster

A poster session is a graphic presentation of an author's research.

The poster size is 1M\*1M.

Poster material should be well labeled and legible from a distance of 10 to 15 feet.

The title should be the same as the title submitted with the abstract and appear in boldface at the top.
